## **YMCA One-Day Bus Trip**

**Come experience the Bible in person. We will travel by luxury motorcoach to The Ark Encounter in Kentucky which is a reproduction of Noah's Ark from the Old Testament built to the exact same specifications. The Ark Encounter is the largest timber frame structure in the world, built from standing dead timber, in part by skilled Amish craftsmen. The Ark is an architectural and engineering wonder containing three decks of world-class exhibits. You will see awe-inspiring exhibits, incredible live animals and experience the bible story in a way that you will never forget. Lunch is on your own at the on-site café. They have a buffet/salad bar available for only \$10 for seniors & there is also a pizza kitchen & a sweet shop. No outside food can be brought in to consume.**

**We will leave the Y at exactly 8:30 a.m. so please arrive early to board the bus and we plan to return around 5:30 p.m. Please park back near the outdoor walking track to leave parking for our Y members during the day.**

**\$80 for Members/\$103 for Non-members**
