

January 19, 2026

Dear YMCA Learning Center Family,

It may be hard to believe but it is time to consider registration for your child in our preschool program for next year! On January 26th, preschool registration will open to the public at our Learning Center. We are grateful for your loyalty to our child care program, and **we're providing you the opportunity to register early to save your spot. Please keep in mind that in order to continue your enrollment at the Learning Center, your preschool age child must be registered for preschool.**

Through our partnership with Building Blocks, our center has been able to implement Creative Curriculum, applicable to all ages, while having the support of a weekly coach. Creative Curriculum allows for learning through play and provides child led discovery. This has provided our center with new learning opportunities as well as assessments that create open discussion between teachers and families and show growth throughout the preschool year.

At the Y, your child has additional opportunities to swim as a class, experience fresh air fitness outdoors on our playground, and use our facilities to increase physical activity in the morning and afternoon. Quality instruction time with our teachers in a small classroom setting allows your child to have more individualized attention, focusing on your child's needs to be successful. Furthermore, the Learning Center is open for an additional 25 days including spring break, fall break, and in-service days when other preschools may be closed.

Preschool is for children ages 3 and up by August 10, 2026. Enclosed is your registration form for preschool at the YMCA Learning Center. Assuming your current enrollment papers are up-to-date, to save your child's spot for the August 2026-2027 school year, you will simply need to **complete the registration form along with the \$50 non-refundable registration fee** and turn in to a member of our Learning Center admin team. (This fulfills your annual August 2026 registration fee as well.)

We look forward to continuing our partnership in the fall school year. Together, we are providing strong foundations for your child to build upon for the rest of their life. If you have any questions please do not hesitate to reach out.

Sincerely,

McKenzie Callahan
Childcare Director
